The Basics

Identification Requirements

It is the responsibility of each guest to obtain all required travel documents and have them available when necessary.

A valid passport is required for all passengers. U.S. alien residents need a valid Alien Resident Card in addition to a passport. Any guest without proper documentation (copies will not be accepted) will not be allowed to board the vessel and no refund of the cruise fare will be issued. Bare Necessities assumes no responsibility for advising passengers of documentation requirements. Non-U.S. citizens should contact the nearest representative embassy or consulate office regarding required documentation.

Please note: Citizens who are NOT U.S Residents (ARC- "Green Card" holders) must enter information into the following secure website at least 72 hours before arrival into the United States: www.cbp.gov/esta

Cruise Tickets (aka "Fun Pass")

Approximately **30-45 days prior to the cruise departure**, Bare Necessities will email your unique booking number that will allow you to access Carnival's website to complete your online check in. You will need to print your boarding pass (**aka FUN PASS**) and luggage tags. You can also view and purchase shore excursions after completing your online registration. Please be aware, excursions that are clothing optional may not be indicated as "bare" on Carnival's website. Bare Necessities will provide information regarding which excursions are designated as "bare."

***** If you do not have Internet access, or choose not to register online, you can complete check-in upon arrival to the cruise terminal.

Shore excursions will also be available for purchase onboard the ship. Please do not assume a beach trip or snorkeling excursion will be "bare". The "Fun Ashore" booklet found in your cabin will indicate which excursions are clothing optional. If the excursion is not listed as clothing optional, bathing suits are required. Clothes free excursions sell out quickly, so we highly recommend purchasing them in advance.

Sail & Sign Card - Onboard Account

Sail & Sign is Carnival's cashless onboard credit program, which allows guests to charge onboard purchases directly to a personal account during the cruise. You will be asked to provide your credit card information when completing your online check-in. If needed, you can update your information during check-in at the terminal.

Personalized Sail & Sign cards will be provided to all guests and are valid for use immediately upon boarding the ship. This card also acts as your room key and can be **found outside of your cabin door on embarkation**. While onboard, cash will not be an accepted form of payment. Your cabin card must be utilized for all monetary transactions during the cruise. On the morning of Feb 3rd, a statement detailing all purchases made with the Sail & Sign card will be delivered to the guest's stateroom.

Port taxes and Pre-paid Gratuities

Port taxes and gratuities are charged in advance. On this voyage, port taxes are estimated at \$155 per person and gratuities are estimated at \$125.50 per person if reserved in a Suite and \$116.50 per person for all other staterooms. This is required of all passengers and is non-negotiable. This will be charged automatically to the credit card on file on Nov 1, 2018. Booking numbers will not be issued until this amount is paid.

Fuel Surcharge

Should the cost of fuel dramatically increase before the cruise date, it is possible a fuel surcharge may be necessary. In this case, a fuel surcharge will be added to your shipboard account. Such amount will not exceed \$10 per person per day.

Embarkation

The ship will be located in **Port Canaveral, Florida**, at A-Side North Cruise Terminals and will be either:

Cruise Terminal #5 located at 9241 Charles Rowland Drive

Cruise Terminal #6 located at 9245 Charles Rowland Drive

Check Terminal assignments which will be posted at the entrance to the port.

Embarkation will begin at approximately 11:30 AM (EST) on Friday, January 25, 2019. The gangway will close at 3 PM (EST) and the ship will sail at 4 PM (EST).

All Passengers are required to attend the **Mandatory Safety Briefing**. The briefing is usually scheduled around 3:30 pm (EST). Please check your television onboard for details and listen for announcements on where to meet. When the signal sounds, please move to your assigned muster station which will be printed on your Sign and Sail card.

On Sunday, February 3rd, 2019, the Carnival Sunshine will begin disembarkation at 8:00AM (EST) in Port Canaveral, FL. Disembarkation involves going through customs and making sure all passengers disembark the ship safely. Please book your return flight to depart no earlier than 12 noon in case any delays occur during the disembarkation process.

Travel Insurance

This cruise is Non-Refundable. Cancellation deadline was Jan 25, 2018. Every year we have a few unfortunate passengers who do not purchase trip cancellation insurance and find themselves in an unavoidable situation forcing them to cancel.

Please protect your vacation investment with the purchase of trip insurance. Remember, this can also include any medical expenses incurred while onboard, baggage delay, etc. For more information call TripAssure at 800-423-3632. Our agency ID is OMNT0904TX. Or visit: tripassure.com

Remember, only enter the per person rate when asking for a quote. If you are submitting the request as a couple, the quote given is for both of you – it's not a per person price. Trip Assure can only offer insurance to US residents. Please check with your local agent if you reside outside of the US.

If you are cancelling or transferring your cabin, you are required to send it in writing. Please send emails to cancellations@bare-necessities.com.

Bare Tips

Fun Times: To ensure you don't miss out on any of the activities while onboard, please make sure to read your "Fun Times" each day. They're delivered to your stateroom the night before at "turn down." This pamphlet will provide you with up to date information on all the activities and nightly entertainment. Make sure to tune in to the daily show with our Cruise Director. This segment is shown throughout the day on Channel 13 which allows our passengers to hear more about the events scheduled for that day.

Traveling Solo: If you are traveling solo, please check your "Fun Times" for our "Your Time" meet and greet. This is a great way to get to know other single passengers and perhaps even find a roommate for next year's cruise! We will also have a single's table at both dining times to provide you with even more opportunity to meet your fellow passengers.

We also offer "Your Time" gatherings for other organizations and groups, such as LGBT. Please check your "Fun Times" for times and locations.

Carnival Hub: The Carnival Hub is a new app created for Carnival passengers. It's a great way to access information, such as what time meals are being served and when and where events are taking place. You can also communicate with fellow passengers onboard with the chat feature. The Carnival Hub is available for a nominal fee during the entire voyage. You will be assigned a Chat ID number to use to invite others to join your group chat, but do not confuse it with your Folio Number.

Bare Necessities Forum: We invite our passengers to join our exclusive message board created to allow our guests to share information as well as communicate with your fellow bare cruisers prior to sailing. To join, visit bareharbor.com. Create a user name and password and we'll get you approved if you are not already registered. Please make sure to use the email address linked to your reservation when creating your account. This forum is for Bare Necessities passengers only.

Decorum

To assure that cruise lines continue to support our charters and that we all enjoy a wonderful, stress-free, clothes-free experience, we ask passengers to please observe the following common sense guidelines of decorum on board our cruises:

- Passengers may be nude on board unless announcements are made that clothing is required.
- When the ship is anchored in a port, passengers can be nude unless announcements have been made to the contrary. When the ship is docked alongside in port, all passengers must be dressed throughout the vessel, including balconies, until the ship leaves port and an announcement is made that nudity is again permissible.
- The self-serve buffet is a clothes free area, however, for sanitary reasons, we suggest passengers grab either a towel or pareo to wrap around their waist when going through the buffet line. Clothing is required for all meals taken in the main dining room and all specialty dining rooms. Casual attire is fine in all of these venues. When in doubt as to what is appropriate attire, simply confirm that breasts, bottoms and genitalia are fully covered by clothing that is not considered to be fetish-wear or lingerie.
- Clothing is required when attending the Captain's Introduction.
- Lingerie and fetish-wear are not appropriate at any time, and bathrobes are not permitted in the dining venues, casino, or show lounge.

- Please sit on a towel at all times while nude, in a g-string, thong, or any time you are bare-bottomed. A fresh beach towel will be provided in your stateroom each day for that purpose. Stacks of smaller towels will be placed throughout the ship outside of common areas in case you arrive without one.
- No photographs, videos or electronic images of any person may be taken without the express consent of that individual. **“NO PHOTO ZONES”** around the pools or in dance venues must be followed to avoid confiscation of photo capturing devices.
- Fondling or inappropriate touching of personal body parts or those of someone else, overt sexual activity or any solicitation for sexual acts is strictly prohibited.
- Displaying yourself nude in front of other ships in port or while port authorities are on board the vessel for clearance is strictly prohibited.
- Dangerous or rude behavior will not be tolerated at any time.
- Passengers must comply with US Federal law regarding the possession or use of illegal substances.

Bare Necessities also complies with the cruise line’s regulations, including the right to dismiss persons from the cruise for abusing alcohol and/or drugs, sexual solicitation or overt sexual acts, not obeying all safety rules and for not complying with the laws of the country we are visiting.

There are no refunds for dismissal and transportation is NOT provided from the port of dismissal.

Carnival Policies

Share the Chair

As a common courtesy to fellow passengers, please do not reserve deck chairs by placing towels or personal belongings on these chairs. Carnival Cruise Lines and Bare Necessities will be enforcing this policy and items will be removed after 20 minutes. Items will be placed in a bag and left under the chair. Carnival cruise lines and Bare Necessities is not responsible for any lost or stolen items. We will not tolerate rude behavior from passengers who do not comply. Simply put, if you’re not seated in the lounge chair, then it is available for other passengers to use.

Beverages Allowed onboard

On embarkation day, guests may bring non-alcoholic beverages (12 pack per person) onboard (cans or cartons ONLY - **no bottles**). Passengers are also allowed to bring 1 bottle of wine/champagne (750 ml) per person. This must be in your carry-on luggage.

All alcohol over the allowable 1-bottle per guest of wine/champagne (sealed, unopened bottles) or excessive quantities of non-alcoholic beverages will be confiscated.

The **Cheers!** beverage package (alcohol package) is not available for this charter. This is a Carnival policy for all charters. The following links provide details on what packages are available from soda and wine to “In room” beverages.

BottomlessBubbles.com

CruiseTheVineyards.com

InStateroomBeverages.com

Carnival has a great water package available at a reasonable price.

NOTE - Items and packages cannot be purchased until you have your booking number which will be emailed approximately 30-45 days prior to sailing. “Cruise the Vineyards” (wine package) can only be purchased once onboard. There is a limit on “In stateroom” beverages and these must be ordered prior to sailing.

Purchasing Alcohol Ashore - Alcoholic beverages purchased in ports of call will be retained at the gangway, and held by Carnival until the end of the voyage.

Coolers - Small, personal-sized coolers, no larger than 12”H x 12” L x 12” W for the purpose of housing small quantities of non-alcoholic beverages and/or medications are permitted as carry-on luggage. Medi-coolers for temperature regulated medication are also available upon request for a \$70 refundable deposit. Visit guests services on embarkation day. Quantities are limited and distributed on a first-come-first-served basis.

Smoking Policy (Updated October 5, 2018)

Our charter is a smoke-free cruise except for designated smoking areas located on **Deck 3** (Port side forward) and **Deck 10** (Starboard side midship). In case we encounter any rain during the voyage, Deck 3 is completely covered and can protect passengers from inclement weather. Smoking will only be permitted at these locations on outside decks.

Smoking is NOT allowed in any of the staterooms and suites including outside balconies. This policy includes all forms of smoking, including cigarettes, cigars, E-cigarettes, tobacco pipes and personal vaporizers.

Note: Guests who smoke in their staterooms or on their balconies will be assessed a \$250 cleaning and refreshing fee on their Sail & Sign account. Information on this fee is included in Carnival's cruise ticket contract.

Special Needs

Carnival welcomes guests with special needs and will assist such passengers throughout the cruise. To receive appropriate assistance, be sure to notify Carnival's Special Needs Department in writing at:

specialneeds@carnival.com or call 1-800-438-6744 ext. 70025

Please be sure to inform Carnival of any special medical or physical needs you have, as well as any other relevant information once you receive your booking number. This includes those with wheelchairs, scooters, in need of embarkation/debarkation assistance, refrigerated medication, oxygen, CPAP, dietary needs or pregnancy. This will help Carnival provide you with the best vacation experience possible.

Shore-to-Ship Telephone Service

If an emergency arises back home, friends and family may call guests on board via Sea Mobile Shore-to-Ship telephone service. The rate is \$9.50 per minute from the US; additional long distance charges may apply from outside the US.

From the US, the number is 1-877-CCLSHIP (1-877-225-7447) and from outside the US, the number is 1-732-335-3284.

The caller must provide the ship's name and the guest's name. The charges will be applied to the caller's credit card: MasterCard; Visa; American Express; Discover Card; or Diner's Club.

For our guest's convenience, the ship's telecommunications network offers direct dialing via satellite from the staterooms telephone. This is available 24 hours a day regardless of the ship's location. This service is closed on the final day of the cruise at 4:00AM. The rate is \$1.99 USD per minute, and charges are billed to the guest's onboard Sail and Sign account. Since all communication is via satellite, the charges apply to all calls including calling cards, credit cards, 800 toll-free numbers and collect calls.

Email and Wireless Internet Access

To keep you connected while at sea, the Carnival Sunshine provides satellite Internet access and Carnival Hub App. Carnival has upgraded its communications technology to the latest, state of the art systems and guests now have access to much faster speeds at an affordable price! Packing List

Casual shorts and T-shirts are perfectly acceptable dining room attire. We also suggest packing casual dresses or skirt/slacks ensembles for women, khakis/slacks and open-collared shirts for men. The degree of dress is always in accordance with your personal preferences. When going ashore, the climate calls for casual and comfortable clothing. Pack loose-fitting and natural fabrics as well as comfortable footwear. Every passenger is encouraged to bring sunscreen, brimmed hats, sun glasses, swimsuits for excursions, reef-walking shoes, bug repellent, and any prescription medicine authorized by your physician.

When you board the Big Nude Boat, you'll have the opportunity to participate in the six different theme nights below:
